**“Provision of support services to the European Union Agency for the Space Programme and the
European Commission”**

Annex I.G Part 2 to the Tender Specifications

“Statement of applicability regarding requirements of the SAL”

Tenderers shall generally fully comply with all requirements of the Security Aspects Letter (SAL) as provided with Annex II.VI to the draft Contract (Annex II).

However, depending on the structure of a Tenderer, in particular in case of consortia, certain requirements may be considered not applicable to certain entities.

Tenderers are to point out in the table below, in case they consider a requirement of the SAL not applicable to a certain entity and provide concise reasoning for their consideration:

SAL REQ #.	Entity and details on considered non-applicability	Reasoning for considered non-applicability of the Requirement
